## **BEFORE STARTING**

We advise the fitting of our ceiling rose and pendant to be performed by a qualified electrician. Please read through these instructions before commencing work, and keep them for future reference. Please take extreme care when carrying out these instructions.

## IMPORTANT

This light fitting must be connected to the supply earth. If your lighting circuit does not have an earth, ask a qualified electrician to provide an earth facility. This light fitting is suitable for indoor use only. This fitting operates on 240V mains voltage. Please visit our website to see our recommended dimmers.

## WARNING

You must switch off electricity supply at the mains during installation and maintenance. We strongly recommend that you withdraw the fuse or switch off the circuit breaker whilst work is in progress. Do not only turn off the wall switch. All fittings must be installed in accordance with current Building Regulations and IEE Wiring Regulations.

## RECOMMENDED EQUIPMENT

- Screwdriver
